

EBENEZER DE FORREST.

DECEMBER 20, 1831.

Mr. DOUBLEDAY, from the Committee on Revolutionary Pensions, made the following

REPORT:

*The Committee on Revolutionary Pensions, to whom was referred the petition of Ebenezer De Forrest, praying that his name may be placed on the roll of revolutionary pensioners, report:*

It is proved to the satisfaction of your committee, that the said petitioner enlisted for and served out two different terms, of nine months each, in the revolutionary war, against the common enemy, in the years 1775 and 1776. It also appears, from his own affidavit, that he was afterwards, as a volunteer, engaged in several skirmishes with the enemy, in one of which he was wounded, by which he was confined several months; that he is now eighty-two years of age, blind, and in indigent circumstances; but it does not appear that the regiments to which he belonged were on the continental establishment. Your committee are of opinion that the said petitioner ought to be placed on the roll of revolutionary pensioners, and have therefore reported a bill for his relief.
